

# Discover our Delicious School Meals!

## Takeover by Coombs!

As we enter the Spring term we are pleased to introduce our new catering provider, Coombs Catering Partnership.

These guys know everything there is to know about school meals and nutrition!

With the help of our pupils Coombs have created a bespoke menu for us here at Humberstone.

They are an independently owned contract catering company with a true family feel. Based in Lutterworth, Leicestershire, they possess over 35 years' experience in the Catering, Hospitality and Services industry. They believe quality is not simply what is served on a plate but it's about best-practice hygiene, service and the pupils.

Coombs recognises the importance of offering healthy and nutritious school meals to educate our future generations to live a better life. Their tailored approach will make a REAL difference to the children and the future of the school.

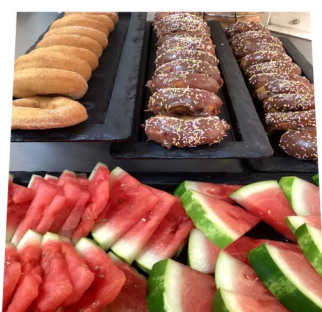

Their ideas and enthusiasm will go much further than just providing a school lunch!

## Food For Our Future....

School lunches are a fantastic way to encourage your child to try new things, learn the correct way to behave properly during their meal and teach them how to correctly and safely use cutlery.

Each child is offered an option of either a traditional homemade meat or vegetarian meal accompanied with seasonal vegetables, salad bar, fresh fruit, freshly baked bread and a homemade dessert or yoghurt.

## Gold Star Lunch

Our Gold Star Lunch was a huge hit!

Everyone loved the delicious spread of crispy chicken nuggets, vegan nuggets, mouth-watering loaded potato boats, and crunchy shortbread stars and decadent chocolate donuts!

The lucky winner of the Gold Star Prize was George in year 3, he gets to go on a family day out to Twycross Zoo to meet the Meerkats!
